## COOPERSTOWN SELECT — BLENDED WHISKEY

This highly unique American blended whiskey is made entirely from local NY grains & patiently aged in hand-picked oak barrels. Made of nothing but 100% American whiskey, it is subtly matured & expertly blended to perfection.

## GREAT JONES — BOURBON

Crafted from ingredients grown in the legendary Black Dirt region of Warwick Valley, NY. Once the site of a prehistoric lake, the soil here is renowned for its nutrient-rich content which imbues a distinctive spice in our whiskeys. Corn, barley & rye are mashed & cut with Catskill Mountain water to create a uniquely NY spirit.

## HARTMANS — STRAIGHT BOURBON

proprietary blend of high rye bourbon & high wheated bourbon aged in full 53-gallon new white oak barrels for 5 years and 3 years, respectively.

## HUDSON WHISKEY — SHORT STACK

In the city that never sleeps, the diner is an institution. Short Stack is our toast to those late-night haunts, & the characters that inhabit them. Distilled from hearty NY rye, mellowed in American oak, then finished in Vermont maple syrup barrels.

## HUDSON WHISKEY — BRIGHT LIGHTS, BIG BOURBON

Never one to shy away from the spotlight, a bold, grain-forward, no-holds-barred straight bourbon whiskey. Distilled from NY corn & aged in new charred American oak barrels, with notes of rich vanilla & lightly salted caramel on the finish.

## HUDSON RYE — DO THE RYE THING

New York- New York's first straight rye whiskey in nearly a century. Bold and spicy, with notes of citrus and honey and a bright mint finish. Do The Rye Thing is as iconic as the classic New York Slice. Kosher Certified.

## BLACK BUTTON — FOUR GRAIN STRAIGHT BOURBON WHISKEY

The finest corn, wheat, rye & malted barley —each sourced just a short drive from our distillery. From wood, to grain, to your glass, this bourbon is Black Button. Our mash bill takes its time aging, waiting patiently for our distillers to taste the unique character in every sip. Aromas of fresh oak, toffee & leather.

## IRON SMOKE — BOURBON WHISKEY

legendary apple wood smoked whiskey is carefully handcrafted & aged to perfection in our small batch distillery in Fairport, NY. We use ingredients from American farms & water from the glacier-formed Finger Lakes. The character of Iron Smoke is distinct... smooth tasting with a whisper of sweet apple wood smoke.

## IRON SMOKE — RATTLESNAKE ROSIE'S APPLE PIE WHISKEY

Made with our handcrafted corn whiskey. Rattlesnake Rosie's Apple Pie Whiskey is all-natural and made with fresh Upstate, NY, locally sourced apple cider, cinnamon, pure Madagascar vanilla, and brown sugar.

## SOUTHERN TIER — SMOKED BOURBON

this whiskey is a Western NY homage to thick sweaters & an open-air fire on a cold winter day. We start with NY corn, smoked & chocolate malts, & then age this whiskey in oak barrels with a #3 char. Resulting in a gentle smoky oak backbone with a smooth, spicy foundation & a sweet finish.

## SOUTHERN TIER — PEANUT BUTTER CUP WHISKEY

Notes of milk chocolate and creamy peanut butter, Peanut Butter Cup Whiskey is our twist on the most popular candy in the USA.

## TACONIC DISTILLERY — STRAIGHT BOURBON WHISKEY

Bottled at a barrel strength 115 proof. Taconic adds a touch of our artisanal water to give the bourbon healthy dose of butteriness. It's bold & refreshing, with aromas of light vanilla kissed with hints of honey & caramel.

## THE SPIRITS LAB — BULLS HEAD BOURBON

Bull's Head is a small-batch wheated bourbon that is both exceptionally smooth and has a unique depth of character. Named after the landmark Bull's Head Tavern, where Washington took his troops to toast their final victory before marching into Manhattan, this bourbon is a celebration of independence of spirit. Bull's Head Bourbon is distilled in the Hudson Valley from 100% NY ingredients.
